OF

Dissemblance

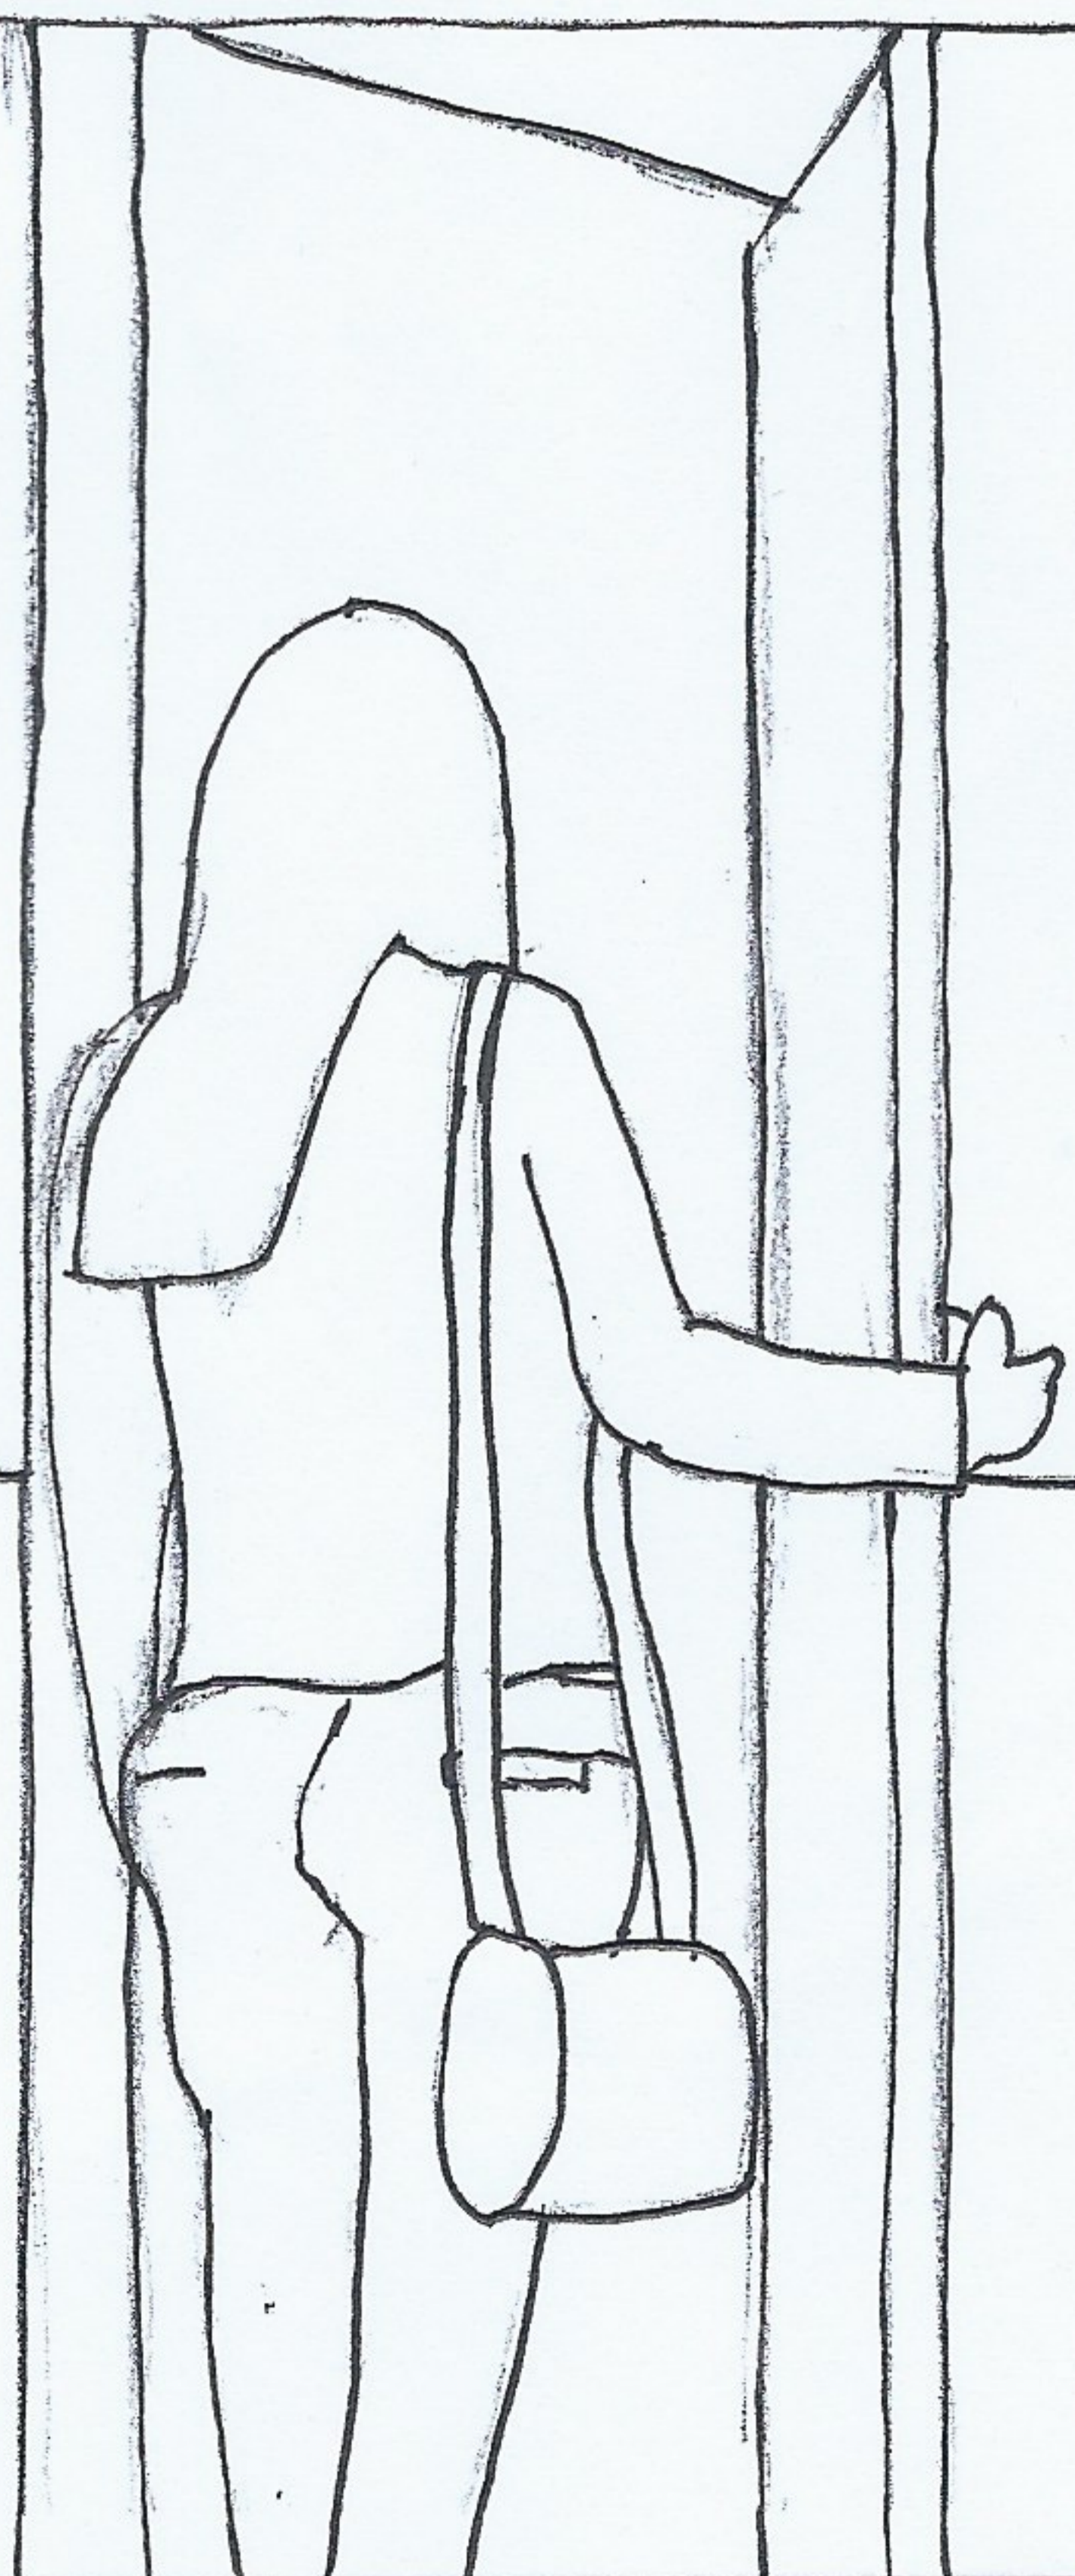

I dislike this silence
in the house. Oh well,
in a couple of minutes,
I will be leaving for
work.

Tick!

Door
squeaking.

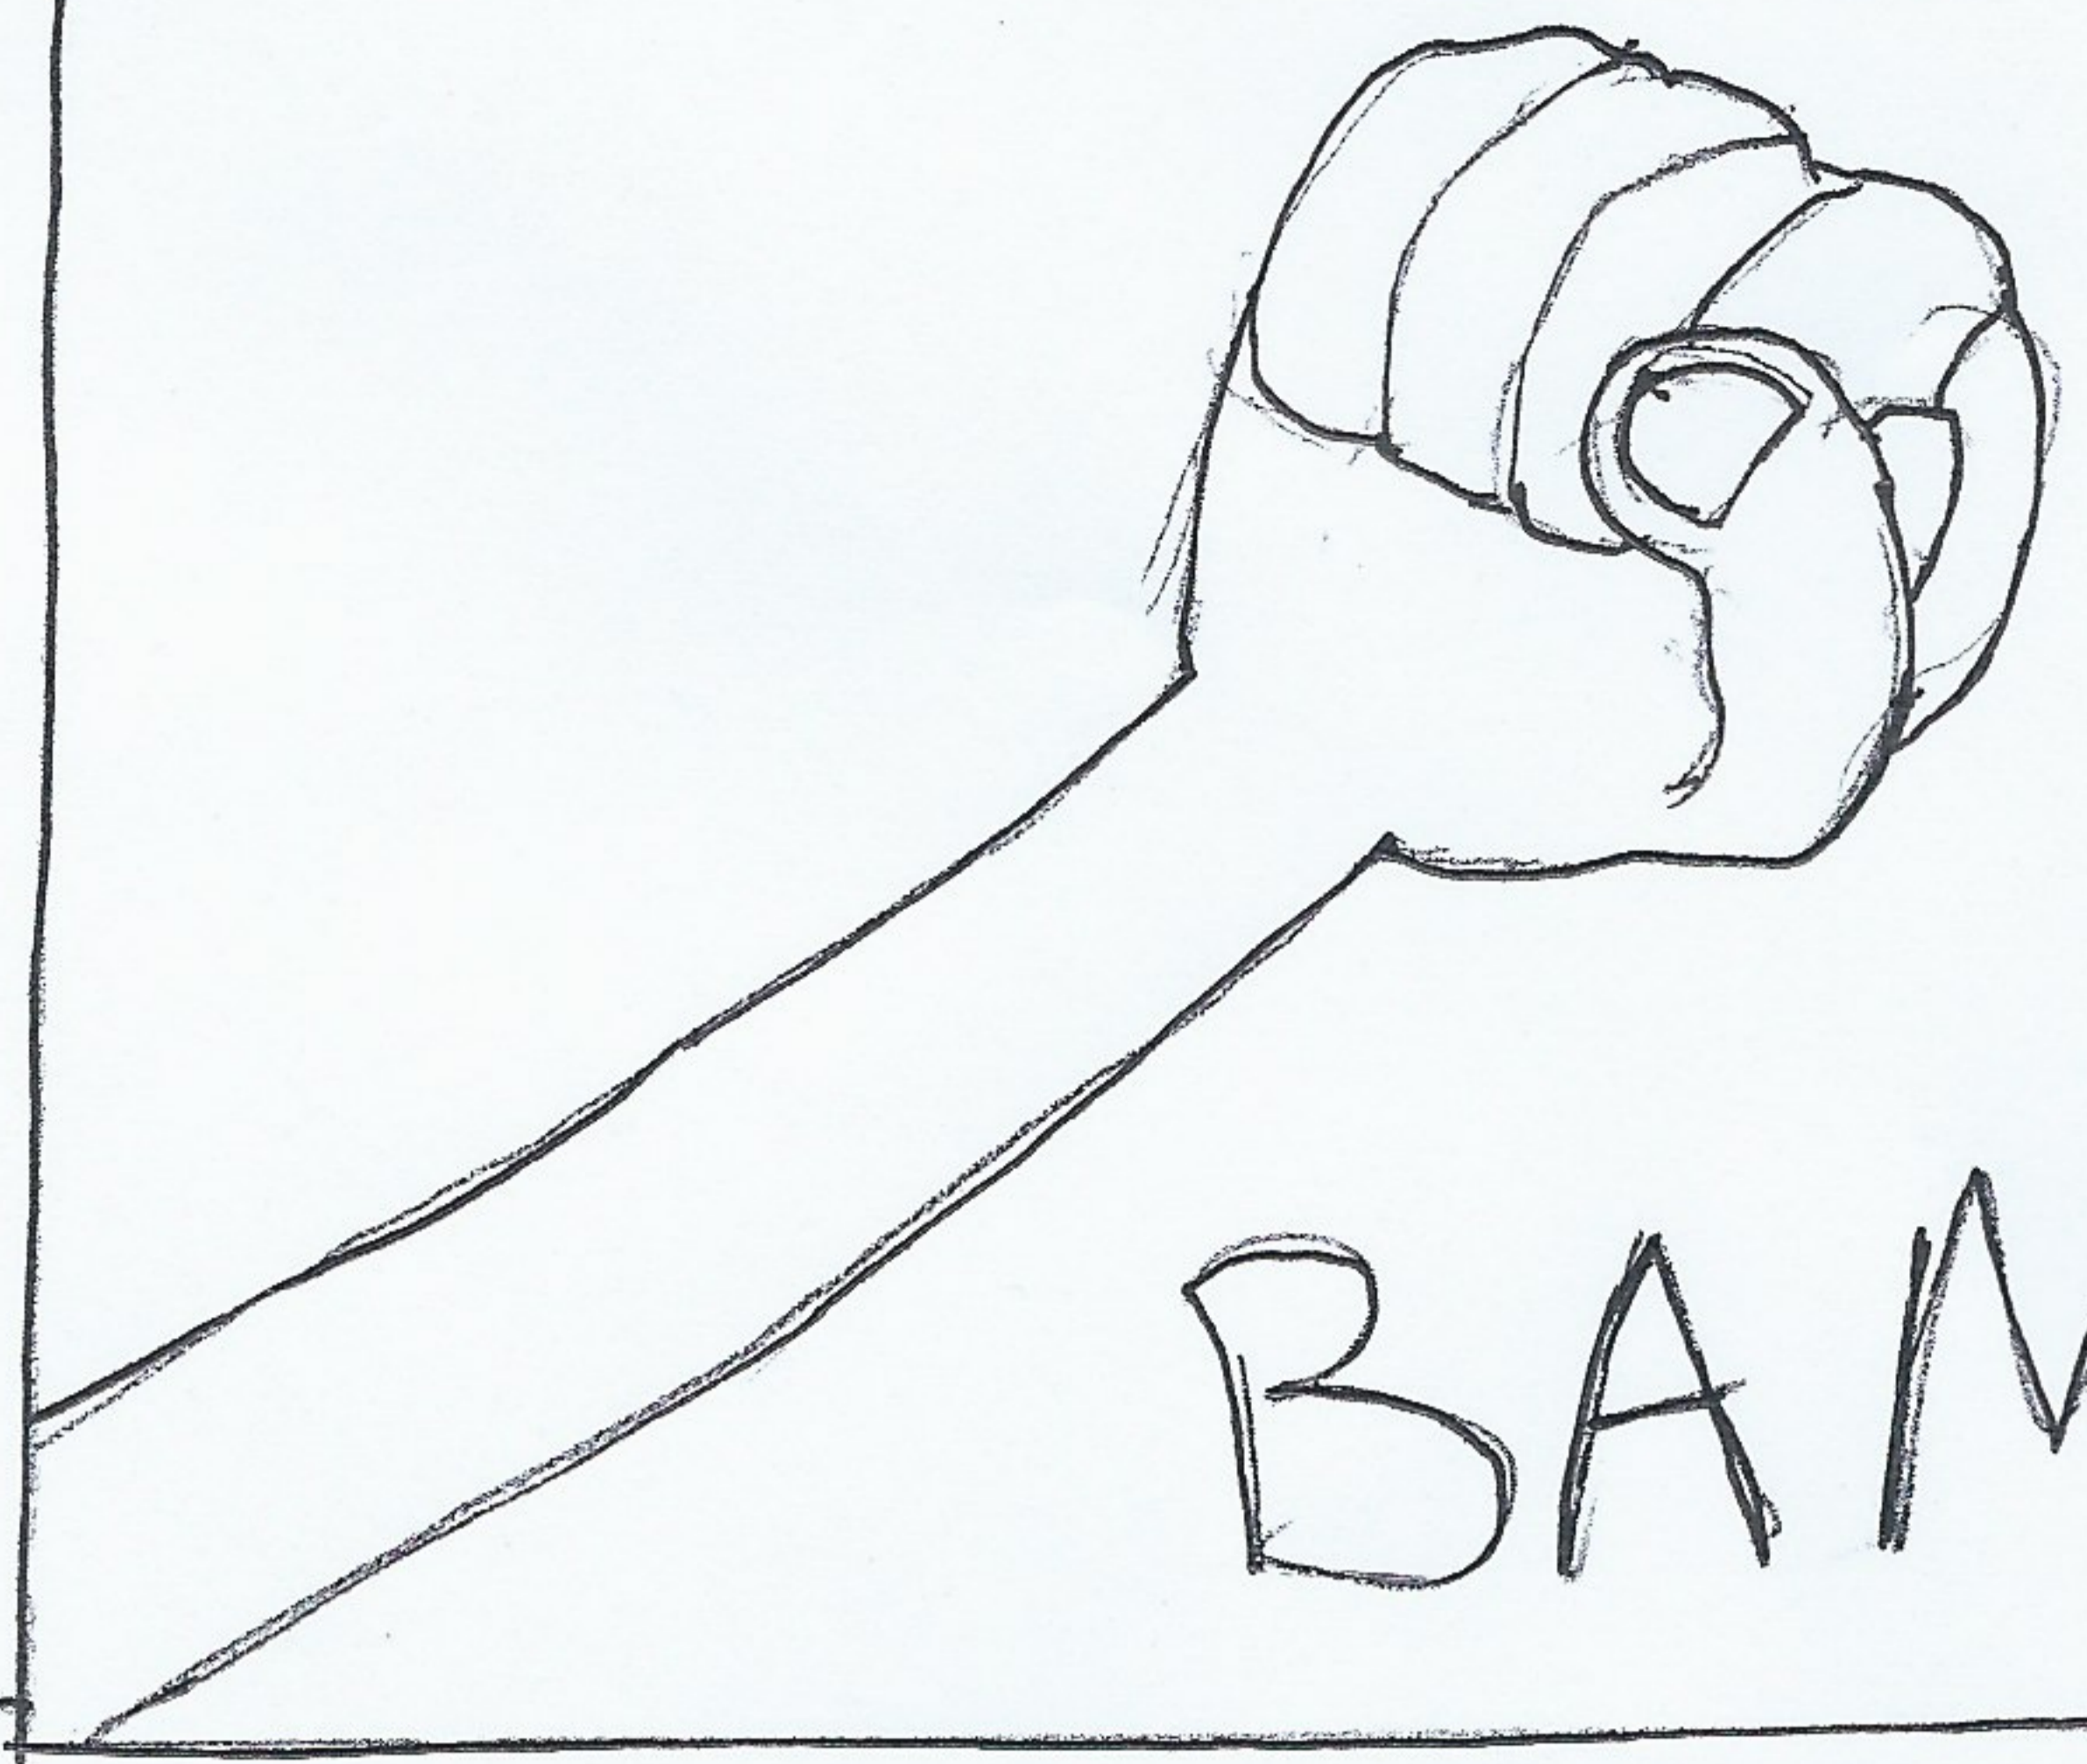

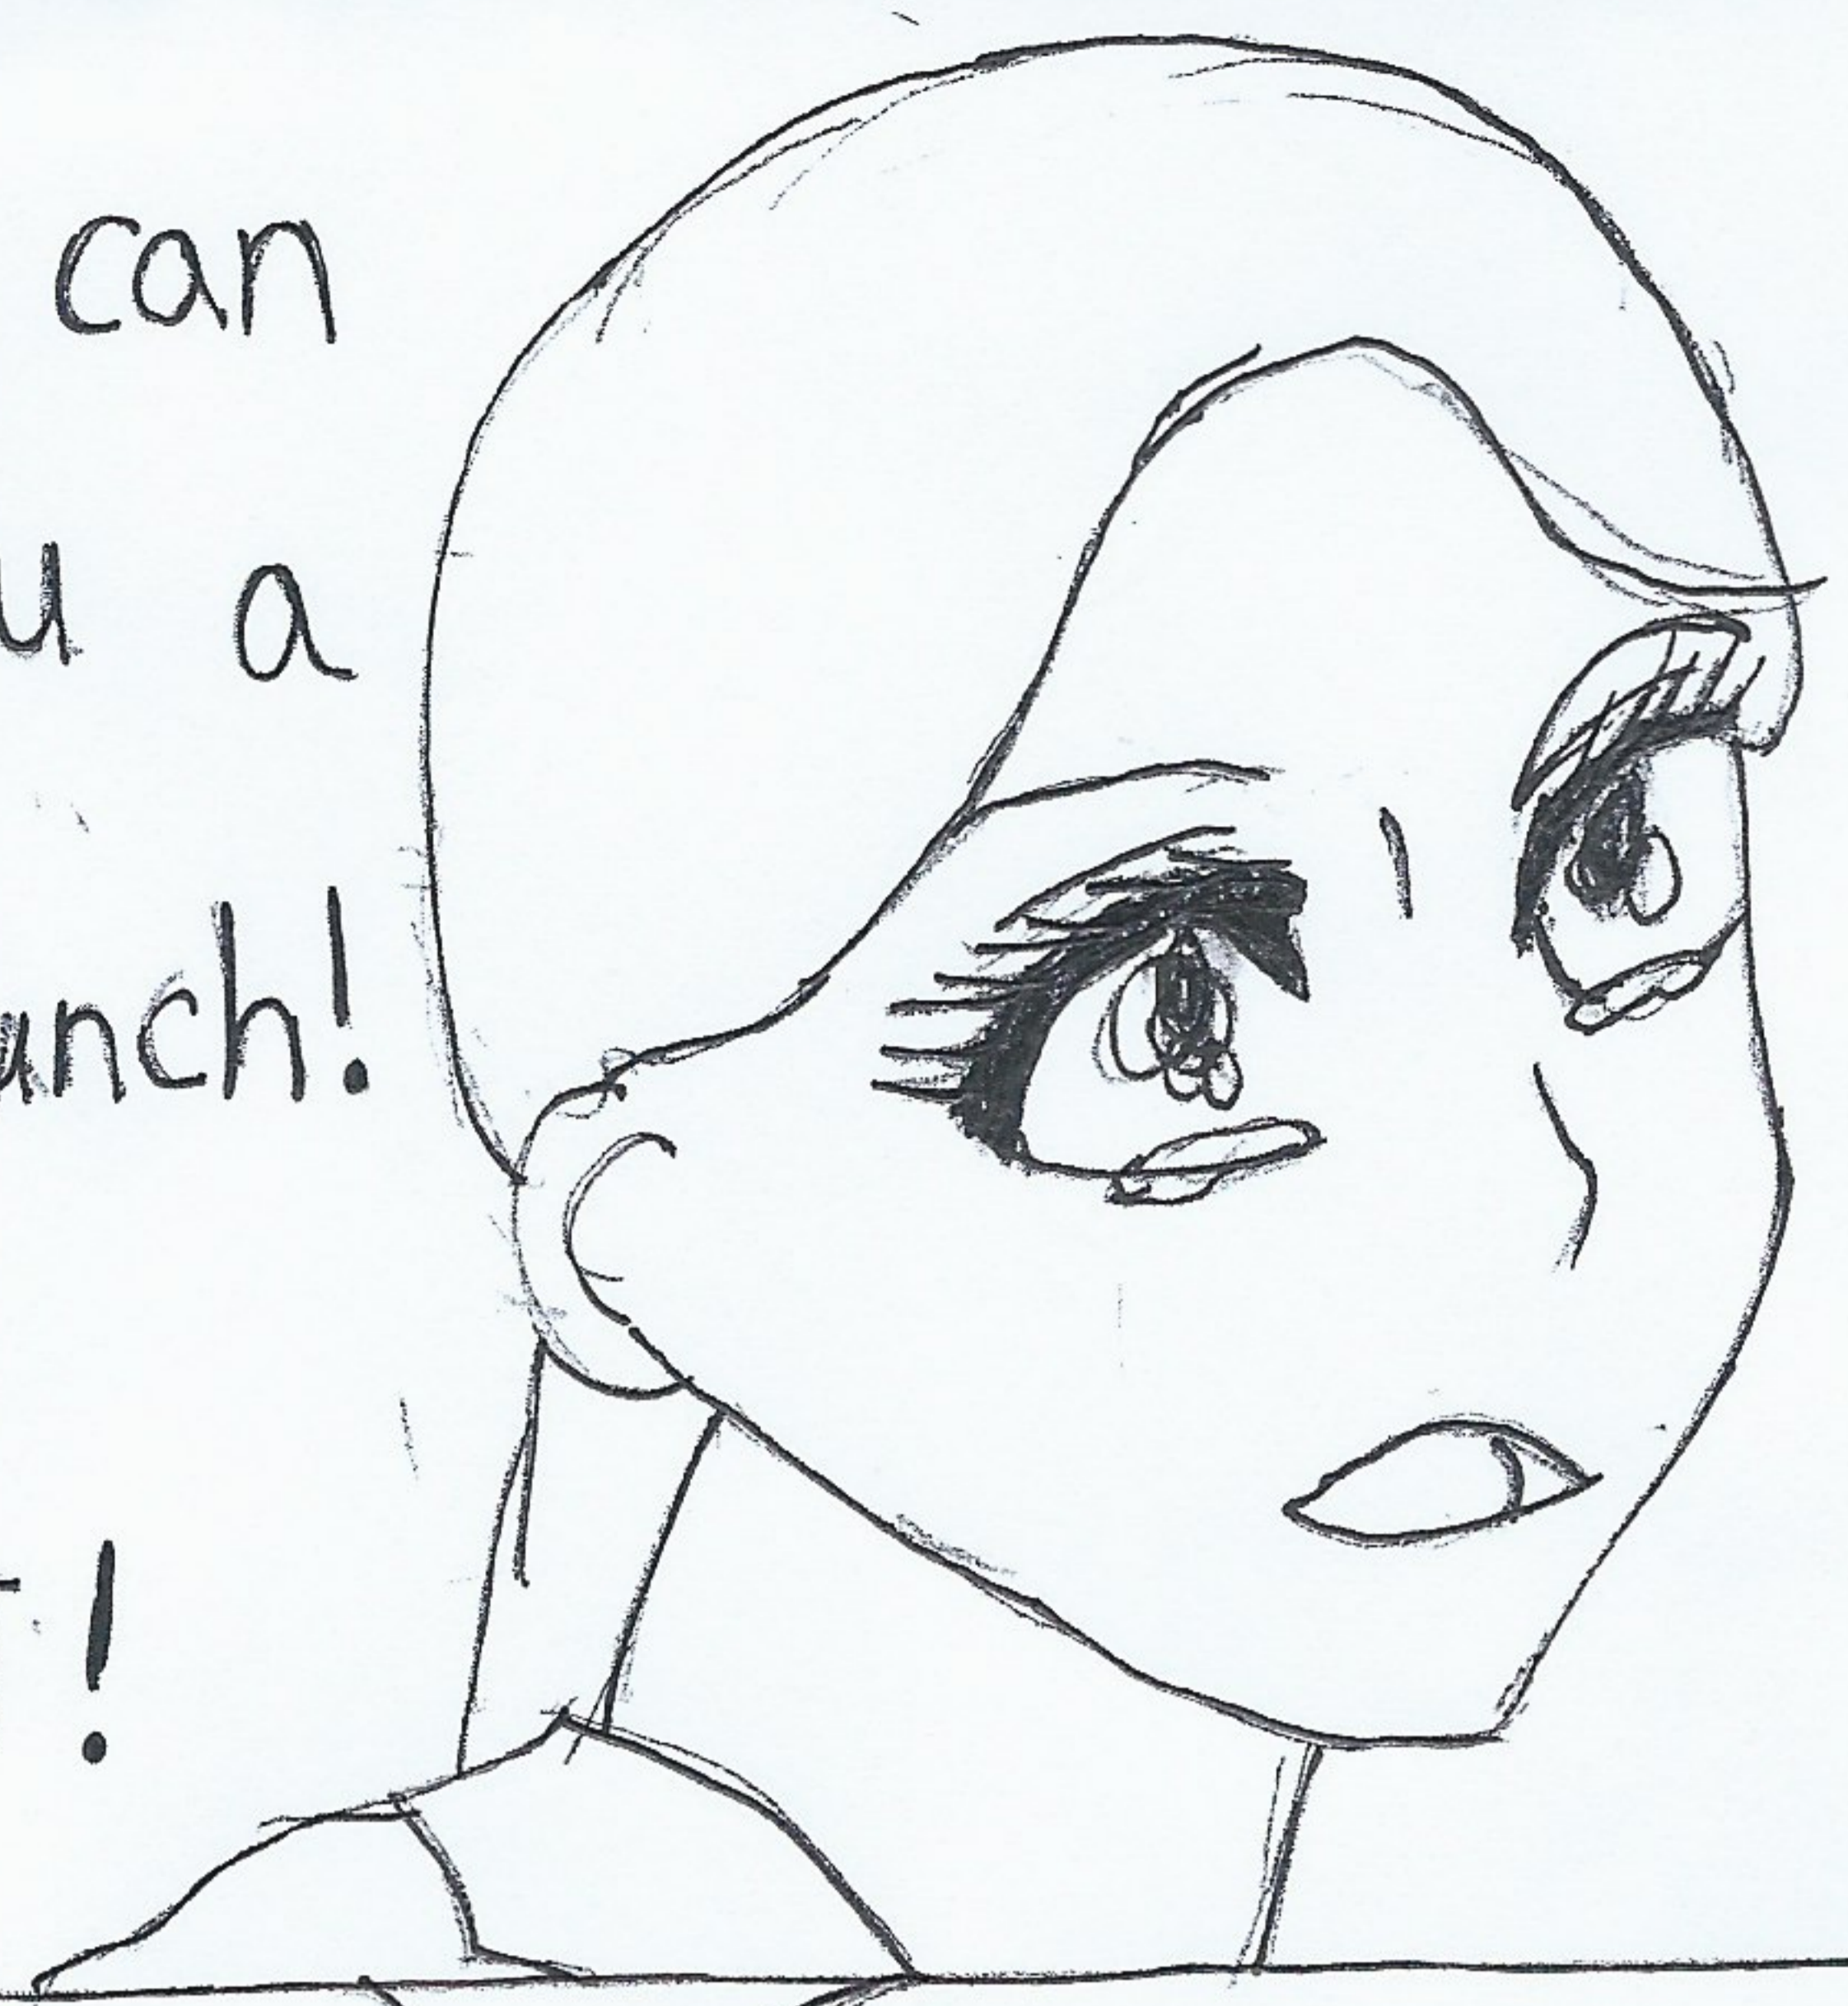

I have worked here for a while now, ever since that fool's departure. How long ago? Hmm... I can't even recall.

But one thing for sure, days without him is hollow and ridiculously long. I can't help to not think of him.

Hey, you still chasing your dreams?
When are you coming back to me?
Where are you now?
Do you know I'm still here?
Waiting for you?
Can you please, please come back?
So I can...

So I can
give you a
Killer's Punch!
You
IDIOT!

BAM!

A
FIGHT!

Manager Kay,
she hit a
customer!

A few moments
later ...

Snap!

Stop staring
at me! Aren't
you in pain?

Yes, but I
miss you too
much to
care.

Murmuring.

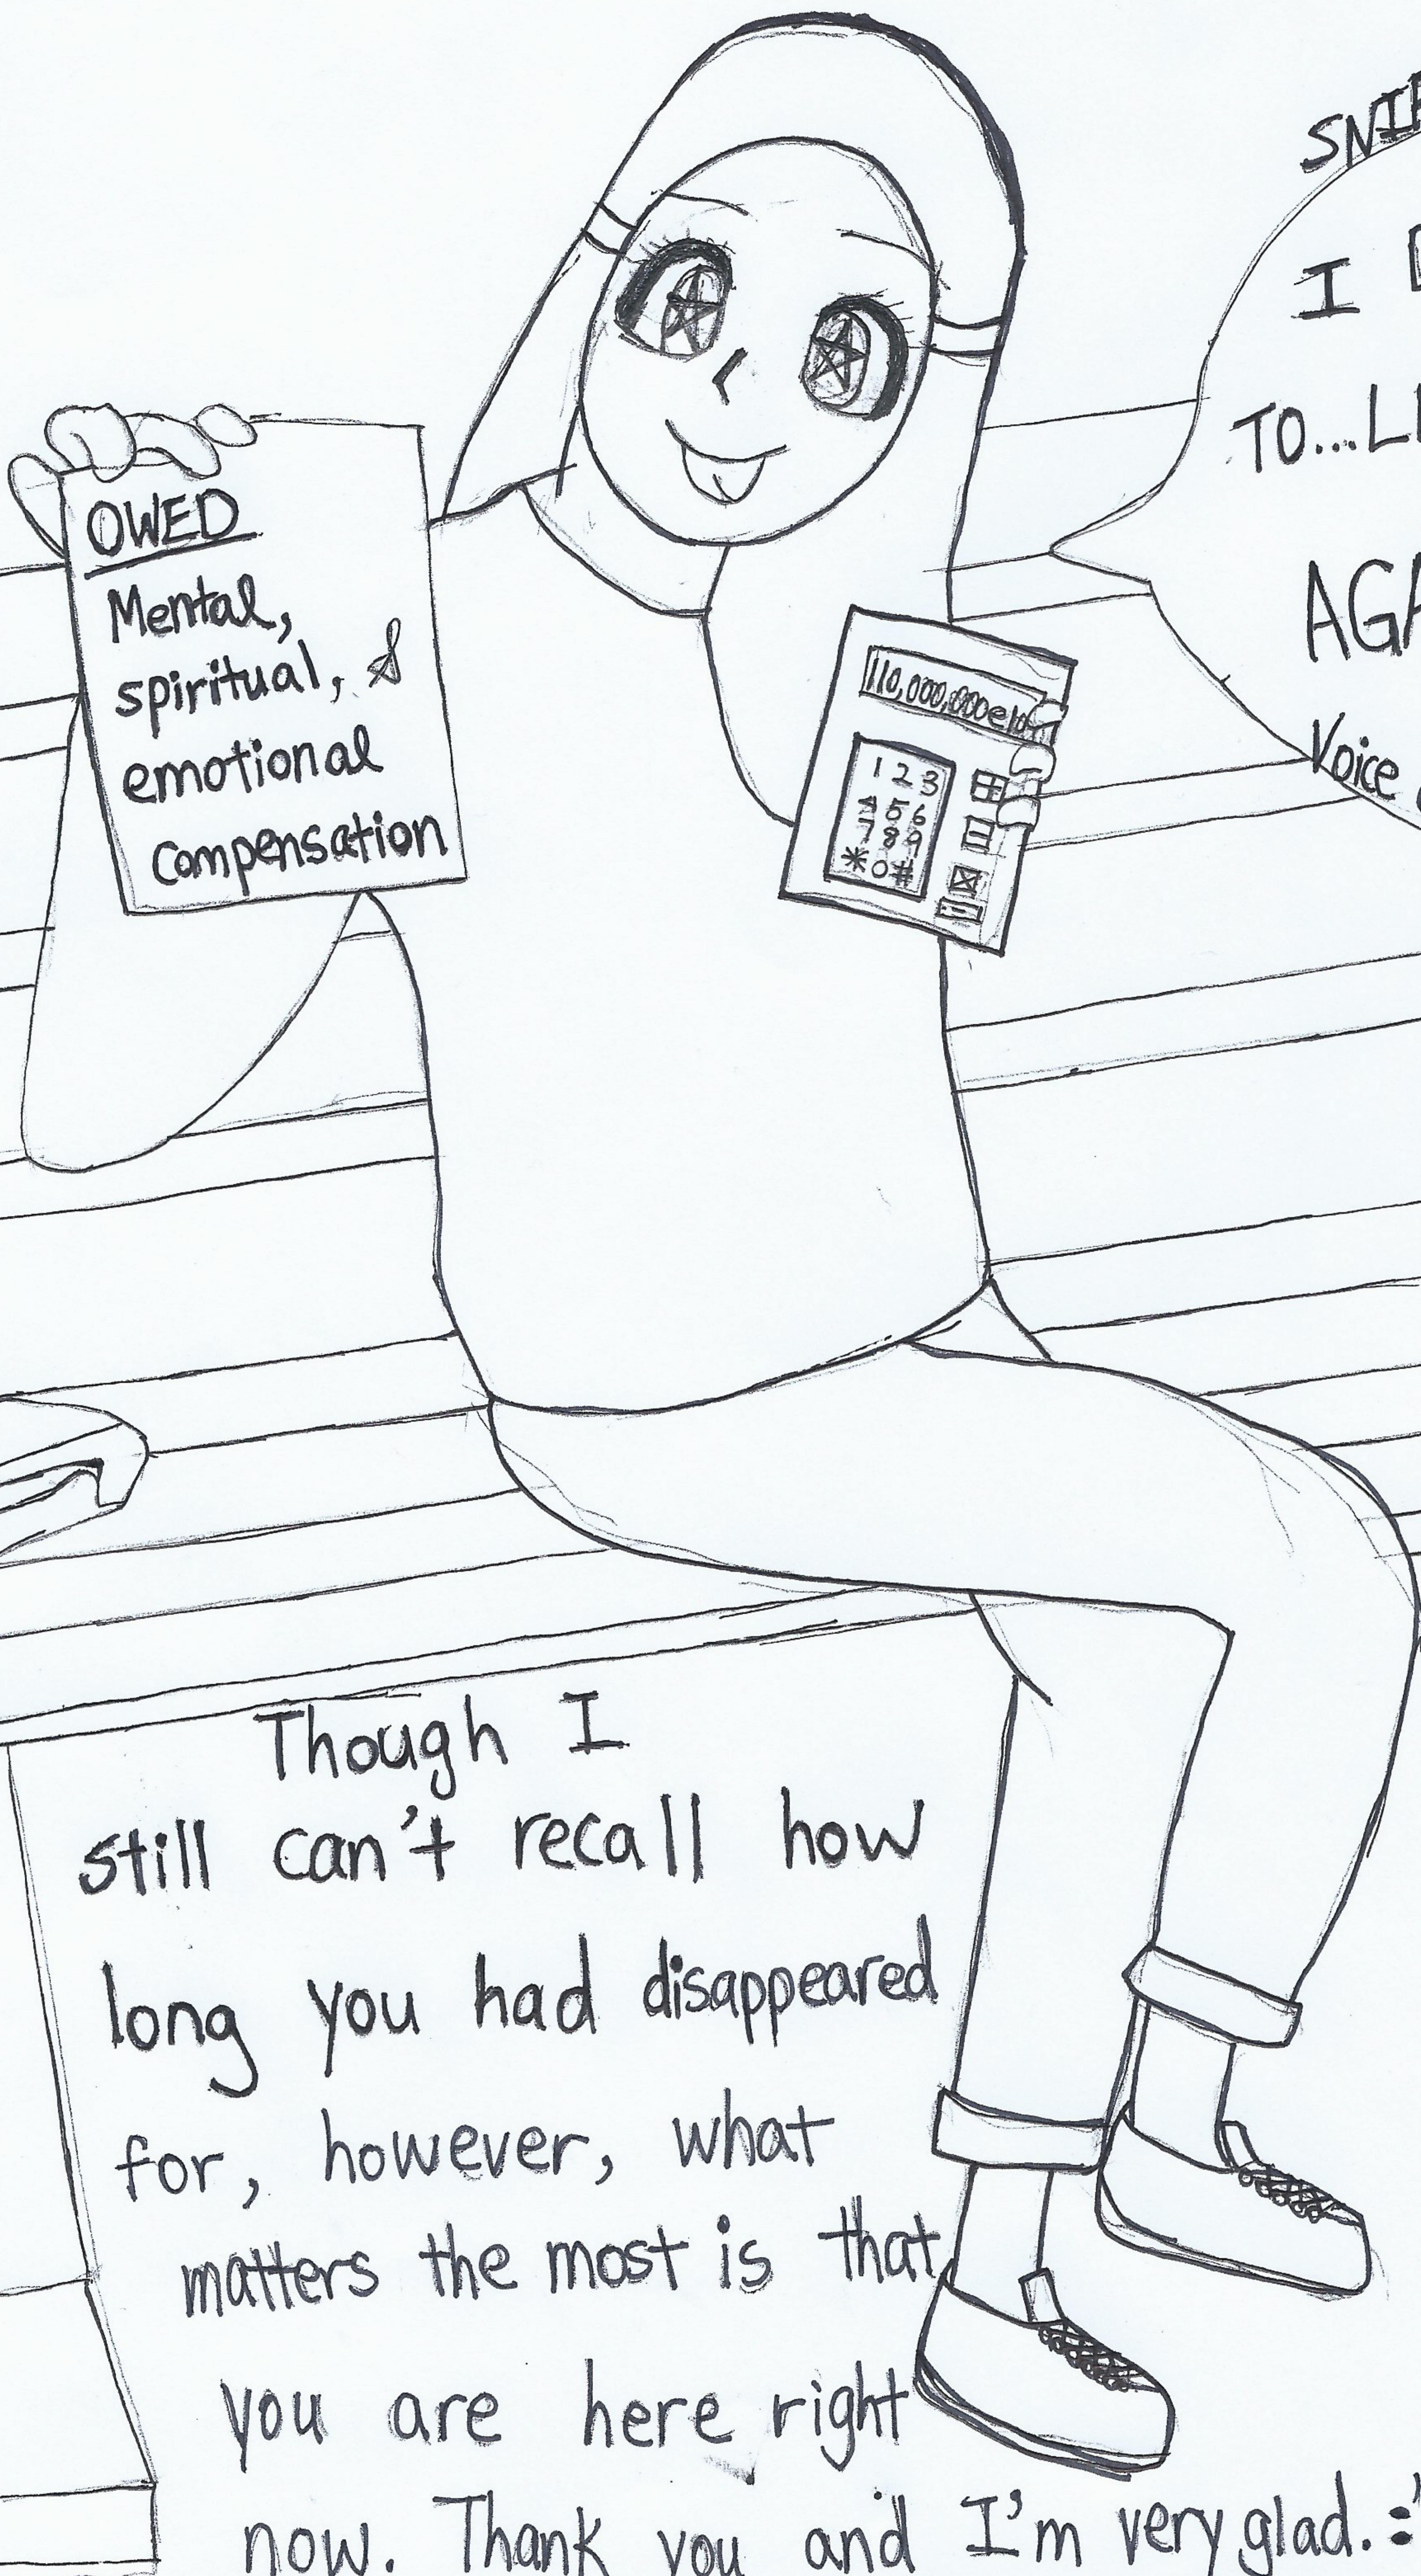

She definitely
got trained for
that punch.
Indeed, (vindictive)
remarkable woman.

Well? How long are you staying this time?

*Nervous

I'm sorry about my departure, forgive me. I'll be here. Just for you now. I promise.

SNIFF!
HA!
I DARE... YOU
TO... LEAVE...

AGAIN...
Voice Whoaaaa!
Cracking.

Though I still can't recall how long you had disappeared for, however, what matters the most is that you are here right now. Thank you and I'm very glad.:)
